# VENUE ACCESSIBILITY INFO

## NAPIER CONFERENCE CENTRE

### **Address**

48 Marine Parade, Napier

Ph: 06-835 9001

### **Accessibility**

Wheelchair access is on the ground level, with a passenger lift available to the lower level. Disabled toilets are available on both levels of the venue.

### **Parking**

Limited 3-hour car parking is available for guests and attendees in the car park situated in the adjacent Ocean Spa Complex, accessed off Marine Parade, 400m north of the centre. However, you will need a car-parking pass that you can organise through the Napier Conference Centre

Parking on the forecourt at the front of the venue is for unloading and loading only and vehicles parked there for extended periods of time may incur an infringement notice. All other street parking around the centre is two hours only.

## **Floor Plans**

We will be using the Ballroom and foyer for this concert (all on ground level). The Foyer space is large and on one level to get to the Ballroom (where the concert will be held). Here are links to the floorplans to help you understand the spaces:

Foyer:

Ballroom:

We will ensure that there is enough spacing between seating rows for easy access and exit, and that there will be allocated spaces for wheelchairs and push chairs.
